

Illustration sizes

Large - 36cm x 46cm portrait or landscape

- o Work must fit an aperture of 36cm x 46cm, with enough of a border to mount, please add 2cm minimum to your illustration aperture

Small - 26cm x 36cm portrait or landscape

- o Work must fit an aperture of 26cm x 36cm, with enough of a border to mount, please add 2cm minimum to your illustration aperture

Framing requirements

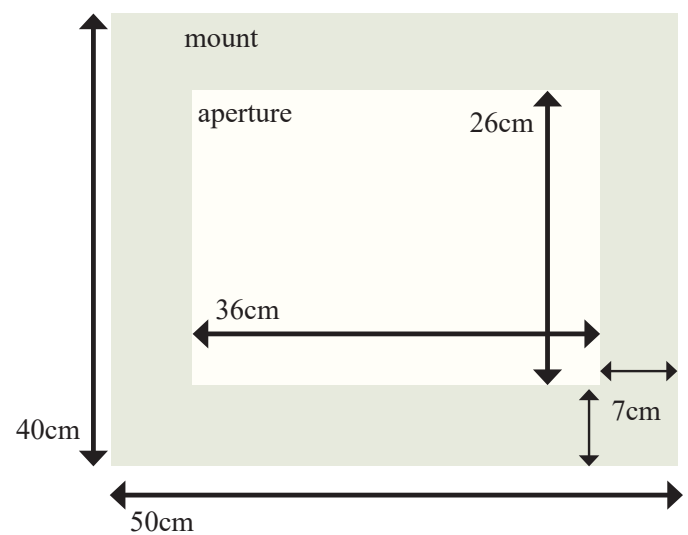

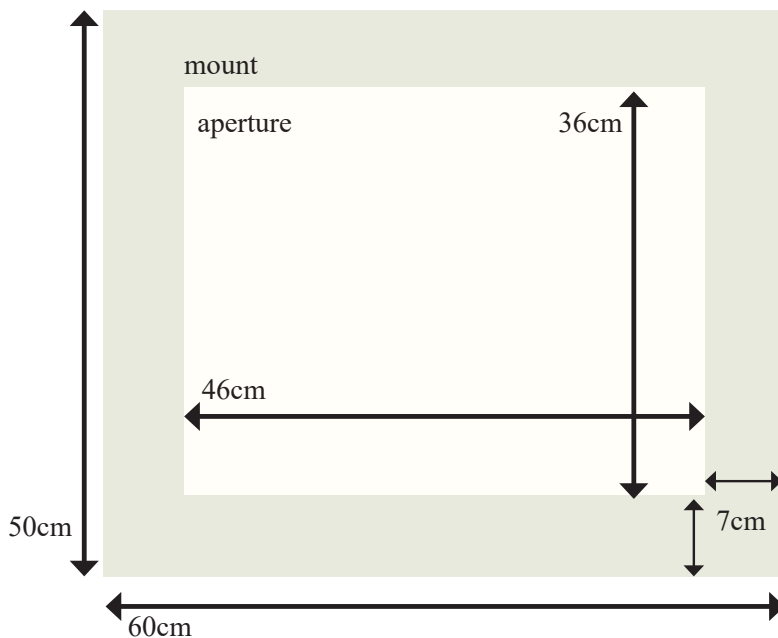

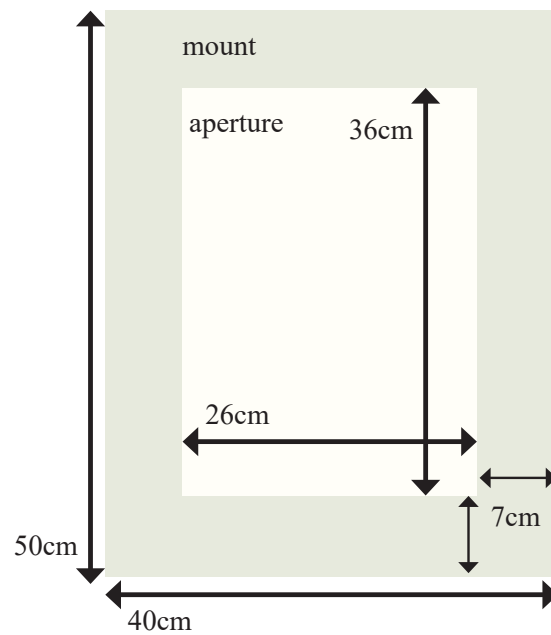

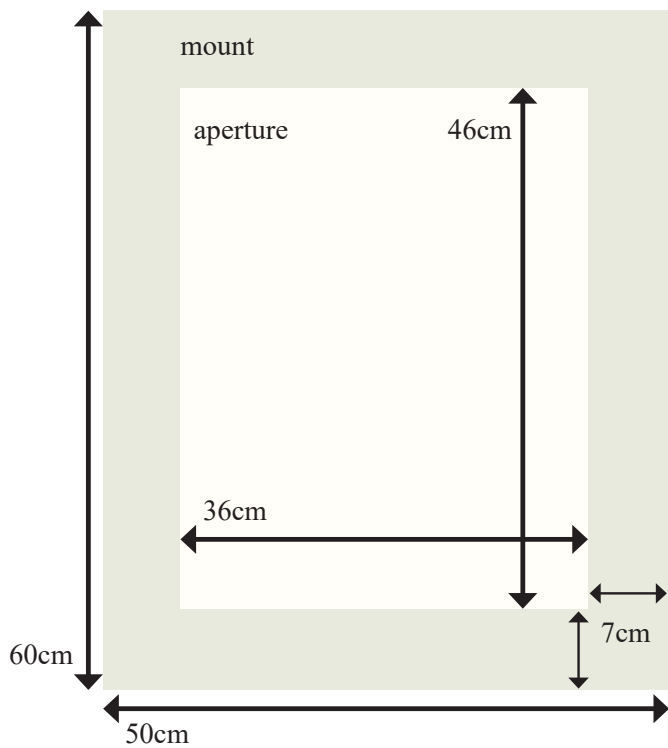

Please choose a 4cm Ash frame with a flat profile.

We have looked for mounts that work with a variety of hot press papers, please choose from either of these.

ColourMount - Museum Range Bright White

Dayler Mount Board - White Core, Lily White

The diagrams below show work size, mount size and the finished framed size.
